

# A Kid's Place Preschool

Dear Parent of a 2-year-old (**must be 2 by August, NO EXCEPTIONS**),

Here is a little bit of information on our program. Spaces are limited to 6 children per class.

## Our Goals

Our 2-Year-Old Program goal is to assist in the development of your two-year-olds confidence and ability to interact in social environments without a parent. We will do this by promoting age-appropriate social skills and interactions.

## Our Program

Our program will be one hour and fifteen minutes long, once a week. Our curriculum will include exposure to music, stories, colors, shapes, numbers, letters, and art. We will be emphasizing language development, turn taking, listening skills, following directions, lining up, sharing, and learning to play well with others. We do **not** require children to be potty trained to attend this program. Program days and times are as follows:

When:

Thursdays

9:00- 10:15 OR 10:30-11:45

## Tuition

The program registration fee is \$40.00 per year and is non-refundable. The registration fee and half of the first month's tuition along with the registration form and all daycare paperwork are due when you sign your child up for the program.

(\$40+33= **\$73 due at Registration.**) The 2<sup>nd</sup> half of September's tuition will be due the 1<sup>st</sup> day of class.

Tuition is \$65.00 a month and is paid monthly, due at the first class of each month. A \$10/week late fee is charged after the first week.

Children may arrive at the start time of the class and must be picked up no more than 5 minutes after dismissal. Children here more than 5 minutes before or after the class will be transferred to the daycare staff and charged according to hourly rates.

## Our Teacher

Ms. Alissa is a certified elementary and special needs teacher with an extra certification in early childhood education. She has been with us for 22 years and this is her 18<sup>th</sup> year teaching our preschool programs.

## Parental Involvement

Parent involvement is minimal. You drop off and pick up your child. Remember that we sometimes have openings for before or after school care, but they must be reserved ahead of time.

If our program sounds like something you would be interested in, please call, or stop by to sign up.
